The marriage license/worksheet is a legal document and must be completed according to strict statutory guidelines.

Rules applying to the WI Marriage License/Certificate Worksheet follows. Legible corrections to the WI Marriage License/Certificate can be made within the officiant section *by the officiant* according to instructions. Instructions for finalization are provided with the issued license/worksheet. Signatures shall be done in black ink.

The Register of Deeds / State of WI Vital Statistics will not accept a marriage certificate or license/worksheet except when properly completed according to the instructions provided by the WI Department of Health Services.

Certified copies of your marriage license may be purchased at any Register of Deeds office in the State of Wisconsin.

Name change for Social Security or your driver's license needs to be completed through the respective agencies.
