

## Mosquito Hill Nature Center

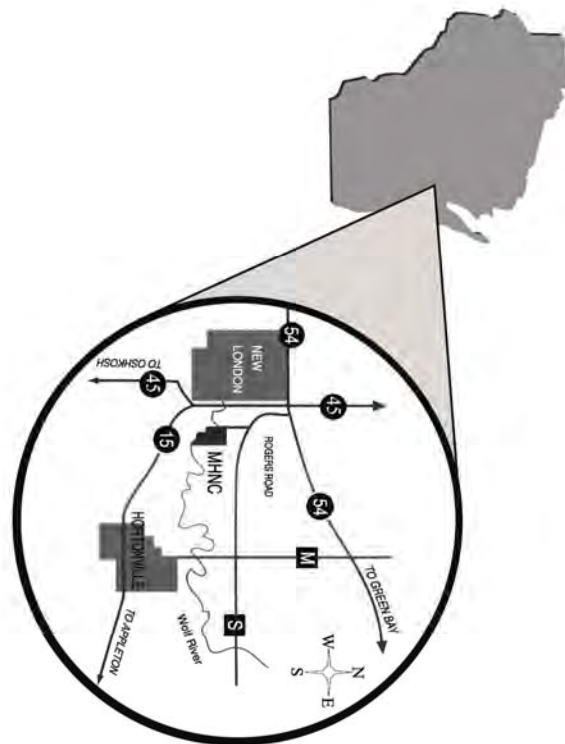

Mosquito Hill Nature Center is a year-round educational facility located 2 1/2 miles east of New London along the Wolf River. Owned and operated by Outagamie County, the nature center boasts 430 acres of preserve with 8 miles of hiking and snowshoeing trails; a 12 acre prairie planting; 300 acres of bottomland hardwoods; floating pond platforms; and scenic views from the top of Mosquito Hill, one of the highest points in Outagamie County. Mosquito Hill Nature Center houses a large interpretive building which features hands-on displays, themed classrooms, meeting rooms and a nature library.

Mosquito Hill Nature Center is a unique venue for your next business meeting, retreat or civic gathering.

## Conduct your business naturally...

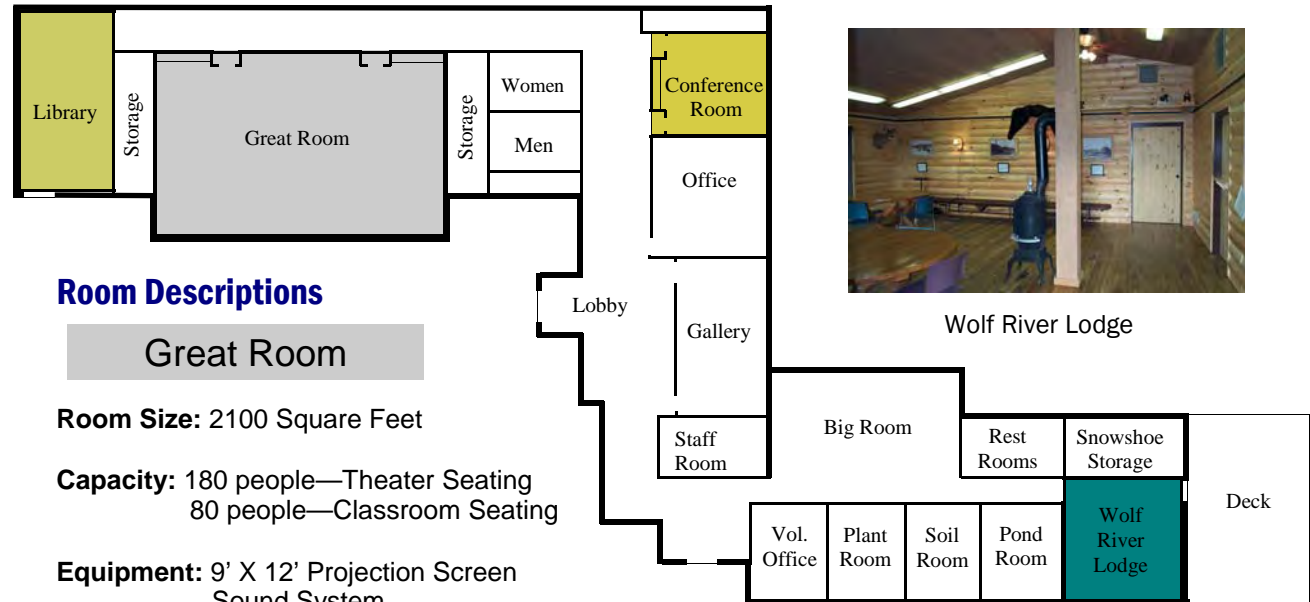

Conference Room

If you are looking at options for holding your next gathering, consider a natural alternative to a stuffy board room or meeting hall. Mosquito Hill Nature Center offers a variety of meeting rooms in a serene, natural setting, away from phones and other distractions. Large or small, we can accommodate your business meeting, day-long conference, or retreat. Our staff of professional naturalists can provide guided nature hikes, snowshoe walks or team building activities for an added dimension to your next gathering.
