**SPECIAL ORDER OF BUSINESS**
Downtown Campus Update – Kara Homan, Planning Director

Planning Director Homan provided an update on the Downtown Campus project (PowerPoint available in the County Clerk’s office). Top priorities/goals were reviewed. Following the pre-design study, Option D2 was selected by the County and details of the expansion with that option were reviewed. McMahon was hired as architect, and a conceptual design of the building was completed. The art deco architectural style was carried over from the County Administration Building to the new addition. Homan reviewed the entrance for the public and various levels of the expansion with department space that will be utilized. Approximately 80% architectural plans have been completed; city approvals received; and other preliminary work completed. The anticipated date for release of bidding documents is March 3. Homan thanked departments for their helpfulness with meeting deadlines.

Supervisor Klemp reported he was called into work.

During question and answer, topics discussed included the Sheriff renovation at the Goodland property, renovation of the D.A., the amount of glass used in the renovated space (assists
wayfinding), impact of acquiring Goodland project vs. Casaloma project, and shared conference room space. Supervisors Hagen and Spears thanked Planning Director Homan and Maintenance Paul Farrell for their efforts in the project.
