Lori J. O’Bright, County Clerk

PRESS RELEASE ● PRESS RELEASE ● PRESS RELEASE

TO:                        Area News Media
FROM:                      Lori J. O’Bright, Outagamie County Clerk
RE:                        Service Change – County Clerk’s Office

Outagamie County Clerk Lori O’Bright announces that due to an immediate downsizing in the County Clerk’s Office, Wisconsin Department of Natural Resource (WDNR) service is being eliminated from the office effective August 29, 2011. Currently, the County Clerk is a WDNR provider for game licenses, and boat, ATV, and snowmobile registrations.

The County Clerk’s Office was staffed with three persons including the County Clerk. A retirement is occurring of one full-time staff person, which was devoted to counter service among other duties. The position will be held vacant through the end of the year to defray elections costs from the 2011 recount and recall elections. To further assist Outagamie County’s budgeting needs, the position will be filled part-time in 2012.

The County Clerk’s Office provided WDNR game licenses and recreational vehicle registrations as a public service, but that service was not statutorily mandated. Outagamie County has several other businesses that provide WDNR services within the County. Locations of WDNR providers may be found on the WDNR’s website at: http://dnr.wi.gov/org/caer/cs/licenseagents/. Currently for recreational vehicle registrations, residents may obtain that service at the following locations:

County Clerk O’Bright reports, “The Outagamie County Clerk’s Office must focus on statutorily mandated functions in light of unexpected election expenses and future budget constraints. As statutorily required, the County Clerk will continue election administration, County Board services, and other licensing such as marriage licenses and dog licensing. We hope to maintain required services at the most optimal levels during the vacancy and future staffing. However, the public should be aware some wait
times may occur, especially through the end of year with the staff vacancy. Individuals should consider allotting extra time for licensing such as marriage licenses.”

The public is reminded that the Clerk’s Office is currently utilizing summer hours until Labor Day from 7 a.m. to 3:30 p.m. Hours from Labor Day through Memorial Day are 8:00 a.m. – 4:30 p.m. Questions or concerns regarding the staffing changes and reduction of WDNR licenses may be directed to Outagamie County Clerk O’Bright at 832-5077.
