

Outagamie County Nutrition Program

Providing Nutritious Meals and Socialization Needs for older adults and Homebound in Your Community

Our Mission:

The Outagamie County Nutrition Program offers Congregate and Home Delivered midday meal service to persons 60 years and older on a donation basis. The Nutrition Program takes great strides in reducing hunger, food insecurity and promoting the well-being of older adults.

Volunteer Opportunities

Congregate Meal Service: Offering nutritious meals, in a group setting, at countywide Congregate Meal Sites providing socialization, education and recreational activities, nutrition and benefit counseling, health screenings, current information on aging issues, as well as volunteer opportunities.

Home Delivered Meal Service: Home Delivered meals are available to Outagamie County residents 60 years and older who are disabled, frail and homebound by reason of illness, disability or isolation for which assessment concludes that participation is in the individual's best interest.

Volunteers: Needed Monday-Friday approximately 10:30 am to 12:30 pm to set tables, serve meals, carry meal trays, deliver meals and assist with clean up at Outagamie County Meal Site locations.

Help support the independence and well-being of Outagamie County older adults.
