Project: Reconstruction of County JJ (County N to Highway 55), Town of Vandebroek

Date: Wednesday, March 28, 2018

Time: 6:00 to 7:00 p.m.
6:15 p.m. Brief Presentation

Project Website:

www.outagamie.org/CountyJJ

Place: Outagamie County Highway Dept.
1313 Holland Road (Corner of County OO & Holland Rd)
Appleton, WI

The Outagamie County Highway Department plans to reconstruct County JJ between County N and Highway 55 in the near future. The proposed project will consist of reconstruction to rural standards with 12 foot travel lanes, with 3 foot paved shoulders and 3 foot gravel shoulders on each side of the road. A separated off-road multi-use trail is being considered on the south side of the road. Intersection improvements at the County N intersection are part of this plan.

County and local officials along with design engineers from Ayres Associates will be on hand to discuss the project. We invite you to attend to review the plans and provide input on this project. It is through this type of communication that we can achieve a successful project.

If for some reason you are unable to attend and would like more information regarding this project, you may contact our office at 832-5673 or check our website, which will be constructed over the next few weeks as documents are finalized: www.outagamie.org/CountyJJ

We have made every effort to contact all property owners affected by this project; however, we may have missed some.

Please share this information with your tenants and neighbors.

Sincerely,

Dean E. Steingraber

Dean E. Steingraber, P.E.
Highway Commissioner
