ORDINANCE NO.: Z-2—2019-20

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN:

MAJORITY

AN ORDINANCE TO AMEND THE OUTAGAMIE COUNTY ZONING ORDINANCE. The subject matter of the ordinance having been duly referred and considered by the Outagamie County Agriculture, Extension Education, Zoning and Land Conservation Committee and public hearing having been held after giving requisite notice of said hearing, and a recommendation as required by Section 59.69 of the Wisconsin State Statutes.

Outagamie County Planning Staff Rezoning Review recommends approval. Agriculture, Extension Education, Zoning and Land Conservation Committee recommends approval.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee bring forward the following ordinance change for the Board’s consideration.

BE IT ORDAINED, that the Outagamie County Board of Supervisors does recommend adoption of the petition of Robert Reider, agent for Edward Gritt, owner, to rezone part of parcel 050059000, totaling 2.0 acres, from AED Exclusive Agriculture District to AGD General Agriculture District. The parcel is located southwest of the intersection of Schnabl Road and State Road, Town of Cicero, Outagamie County, WI, as depicted on the attached review and map, which by reference are made a part hereof, and

BE IT FURTHER ORDAINED, that this ordinance shall be in full force and effect in the Town of Cicero upon approval by the Outagamie County Board of Supervisors, publication per State Statute 59.14 and 66.0103, and the execution and recording of the above stated deed covenants, and

BE IT FINALLY ORDAINED, that the Outagamie County Clerk be directed to forward a certified copy of this ordinance to the Town of Cicero Clerk, the Outagamie County Zoning
Ordinance No. Z-2—2019-20

MEMORANDUM

TO: Outagamie County Agriculture, Extension Education, Zoning & Land Conservation Committee
FROM: Kara Homan, AICP, Director
DATE: May 6, 2019
RE: Z-6-19; Parcel # 050059000; Rezoning Review & Recommendation

Background & Analysis:
Applicant: Robert Reider, Agent
Owner: Edward Gritt
Request: Rezoning From: AED Exclusive Agriculture District
To: AGD General Agriculture District
Location: Town of Cicero, Part of Parcel: 050059000 (See Exhibit A for legal description)
Public Hearing: May 14, 2019, Outagamie County Highway Garage

This proposed rezoning, totaling 2.0 acres, will allow for the construction of a single family residence. The property is located southwest of the intersection of Schnabl Road and State Road (see Exhibit B). The neighboring zoning & land use in the immediate area is as follows:

<table>
<thead>
<tr>
<th></th>
<th>Existing Zoning</th>
<th>Existing Land Use</th>
</tr>
</thead>
<tbody>
<tr>
<td>North</td>
<td>AED - Exclusive Ag</td>
<td>Open Land/Agriculture</td>

</tr>
<tr>

</tr>
</tbody>

There are no navigable streams or floodplains present on this site. There are no DNR mapped wetlands nor hydric soils present. Additionally, there are no known cultural or historical attributes at this site.

The site currently sits vacant and is part of a parcel that a large pond occupies the majority of the property. The remaining vacant land is partially covered with trees, and by its geography, is not conducive for conversion to farmland.

The Cicero Town Board reviewed this rezoning on February 18th, 2019 and recommended it for approval.

The Town of Cicero general zoning is administered by the County and the County is statutorily obligated to document consistency with the County Comprehensive Plan, pursuant to Sec. 66.1001(3) Wis. Stats. The Future Land Use map for the area illustrates “future agriculture” for this site, with low-intensity scattered “future residential” in proximity. As the General Agricultural District within the County Zoning Code allows single-family dwelling on non-platted land, by right, we find this proposed use to be consistent with the Comprehensive Plan’s Future Land Use Map. Planning staff also finds that this request is consistent with the following plan goals:

- Land Use Goal 4: Provide an adequate amount of land for a variety of housing choices throughout the County.
The Farmland Preservation Plan (Appendix F of the Comprehensive Plan) identifies this property as a Farmland Preservation Area; however it is immediately adjacent to properties that are not a part of this zone (to the south). Because this rezoning request is modest in nature (2 acres proposed for low density single family – which is already present in the area), and does not, for all intents and purposes, fundamentally alter or impair the farmland within this area, we find that this proposal is substantially in compliance with the Farmland Preservation Plan.

Sec 54-105(1), County Code, requires that the followings findings are made when rezoning land out of the Exclusive Agricultural District:

a. The rezoned land is better suited for a use not allowed in the AED exclusive agricultural district.
b. The rezoning is consistent with any applicable comprehensive plan.
c. The rezoning is substantially consistent with the county farmland preservation plan, which is in effect at the time of the rezoning.
d. The rezoning will not substantially impair or limit current or future agricultural use of other protected farmland.

Based on the above analysis, Planning staff finds the proposed rezoning to meet the above criteria.

Planning Staff Recommendation
Based on our review and the above analysis of this proposed rezoning, County Planning Staff recommends approval to rezone a part of parcel #050059000, further described in Exhibit A, from AEG – Exclusive Agricultural District to AGD – General Agriculture District; as requested, with the following findings:

- The rezoning is consistent with the Outagamie County Comprehensive;
- That rezoning meets all requirements within Sec 54-105(1) Outagamie County Code of Ordinances.
