What's New Today?

- Do you think you need to see a doctor?
  - WI Department of Health Services has an online health screening assessment
  - ThedaCare information and online care options
    - COVID-19 Community Hotline 920-830-6877 or 800-236-2236
  - Ascension (St. Elizabeth Campus) information
    - Ascension is offering online urgent care visits at a discounted rate of $20 through Ascension Online Care with the code HOME
More Information

- **Temporary Rule: Paid Leave under the Families First Coronavirus Act**
- **Emergency Order #15 Temporary Ban on Evictions and Foreclosure**
- Reliable information
  - [Wisconsin Department of Health Services COVID-19](#)
  - [Centers for Disease Control and Prevention COVID-19](#)
- Due to current shortages in testing supplies, not everyone with symptoms will be tested.
  - Your doctor will determine whether or not you should be tested based on your symptoms, risk factors like travel or contact with others, and underlying medical conditions.
  - More information [COVID-19 Symptoms](#), scroll to the bottom, click on Testing
- **Talking with Employers**
  - Actively encourage sick employees to stay home.
  - Do use guidance from
    - [WI Department of Health Services](#)
    - [Centers for Disease Control and Prevention (CDC)](#)
    - [Occupational Health & Safety Administration (OSHA)](#)
  - Employees should only come back when they meet all 3 criteria:
    - NO fever for over 72 hours (3 days) without fever reducing medication
    - At least 3 days after symptoms improve
    - AND 7 days have passed since symptoms first appeared
  - This information is on the WI Department of Health Services website COVID-19
    - [Have you or Someone You Know Been Diagnosed with COVID-19](#)
  - Don’t require a test for COVID-19. If someone has symptoms, they should be home.
  - Don’t require a doctor’s note to return to work due to decrease burden on healthcare system.
  - Do work with your employees to address their concerns about a safe work place.
  - Do work with your employees about their personal living situation with family members who are considered high risk.
- **Here is what we are asking everyone to do stop the spread of COVID-19:**
  - Stay at home.
  - Limit your physical interactions to the same people during this time. Less than five (5) total will help us stop the virus from spreading.
  - Keep at least six (6) feet apart and avoid physical contact.
  - Try to make only one (1) trip a week for essentials (groceries, medications)
  - Wash your hands often with soap and water
  - Stay connected by phone and social media.
It’s ok to go outside for fresh air, taking walks, and riding bikes. Maintain physical distance—six (6) feet apart.
  - County parks are open.
  - Playgrounds are closed.
  - Fees are waived at WI Stat Parks and Trails

For non-medical questions, United Way’s 2-1-1 Fox Cities service can provide resources on issues such as:
  - Food delivery for home bound seniors
  - Transportation options
  - Nutrition programs for children who rely on free and reduced meals at school
  - Information on emerging resources in the community
  - Contact:
    - Text COVID19 to 211-211
    - Call 211
    - Visit 211Wisconsin.org

The COVID-19 pandemic, and the resulting changes to our lifestyles, can make anyone anxious or even depressed. Do not hesitate to ask for help if you’re feeling overwhelmed. Call 800-985-5990 to speak to a trained crisis counselor or text TalkWithUS to 66747.

Updates for Women, Infants and Children (WIC) Program
