  View Map

**Who May Be Tested:**
Anyone over age 5 experiencing symptoms of COVID-19 is encouraged to get tested. Contact a pediatrician or healthcare provider for children under five years old.
Symptoms may include:
- Fever
- Cough
- Shortness of breath or difficulty breathing
- Sore throat
- Headache
- Chills
- Muscle aches
- Runny nose
- Nausea
- Vomiting
- Diarrhea
- Loss of taste or smell

**Additional Information:**
- Testing is free
- Pre-registration is highly encouraged
- Testing is available to any Wisconsin resident with symptoms of COVID-19
- Antibody testing is not available
- No appointment is needed
- Drive or walk through testing
- A doctor’s referral is not required
- Daily testing capacity will be 500 tests
- Members of the Wisconsin Army National Guard will conduct the testing
- Language translators will be available
• Minors must be accompanied by a parent or guardian who can consent to the testing
• While you're waiting for your test results, it is important that you limit contact with others to prevent spread of the virus should you test positive.
• Test results should be received via email and/or phone within 3-7 business days.

The tri-county community testing sites were made possible through a collaboration between the Wisconsin Army National Guard and health departments of the City of Menasha, City of Appleton, Calumet County, Outagamie County and Winnebago County as well as UW-Oshkosh, Red Cross and the emergency management teams from the tri-county area.
