Additional information:
- Testing is free
- Pre-registration is highly encouraged
- Testing is available to any Wisconsin resident over the age of 5 years old
- Antibody testing is not available
- No appointment is needed
- Drive or walk through testing
- A doctor’s referral is not required
- Daily testing capacity will be 500 tests
- Members of the Wisconsin Army National Guard will conduct the testing
- Language translators will be available
- Minors must be accompanied by a parent or guardian who can consent to the testing
- While you’re waiting for your test results, it is important that you limit contact with others to prevent spread of the virus should you test positive.
- Test results should be received via email and/or phone within 3-7 business days.

The tri-county community testing sites were made possible through a collaboration between the Wisconsin Army National Guard and health departments of the City of Menasha, City of Appleton, Calumet County, Outagamie County and Winnebago County as well as UW-Oshkosh, Red Cross and the emergency management teams from the tri-county area.

Have you been waiting more than 5 days for results from a community testing site?
Do you need a copy of your test results?

CALL THE WISCONSIN COVID-19 RESULTS LINE

866-419-6988

Monday-Friday, 8 AM – 6 PM

The Results Line only provides test results for COVID-19 testing performed at National Guard testing sites in Wisconsin.

Once you call, you’ll need to provide:
• The date of your test
• The National Guard testing site you visited
• Your name
• Your date of birth

In addition to getting your results over the phone, the Results Line can mail you your test results.

Please wait to call the Results Line until 5 days after your test. If you call before the 5-day mark, they cannot guarantee your results will be ready.
